

LAKE SAWYER STUDENTS MISSION TRIP APPLICATION

Kalispell, Montana

June 27 - July 3, 2022

*Please submit the attached application in to Treacy Walsh by **January 5, 2020.***

It is so exciting that you are interested in joining our team in Montana this upcoming year! A mission trip is a one-of-a-kind opportunity to encounter God and grow in your faith; it's awesome that you are already starting to consider how God might want to use you this summer.

When it comes to missions, Lake Sawyer Church has a few strategic initiatives that we focus on — and church-planting is one of them. We want more churches in more places. More specifically: new, healthy churches to breathe new life into communities all over our country and all over the world. Our trip this summer will be aligning with that mission focus, to help support a new church-plant impact their community in a big way. This trip is also designed to stretch you, inspire you and challenge you so that you come home with a renewed faith, and big dreams about how God might continue to use you in our community, here.

Trailhead Church opened their doors only a few months ago in the small town of Kalispell, Montana. This summer, they want to make a difference in the lives of the kids in their community — which they see as one of the biggest needs in the community. Being a brand new church, they don't have the volunteer base it will take to accomplish some of the things they want to do to help bring hope, bring life, bring fun and human connection to kids in the community. We are going to partner with the church to help make that happen. Jesus is for everyone, and we'll get a change help young people in Montana find and follow Him.

To be on this team you will be expected to attend regular training meetings and raise funds. This trip requires each student to raise \$700. Please note that these are funds to raise and not out-of-pocket expenses. We will work with you to write your own support letter, and provide fundraising ideas to help you get to your goal. We will also provide you with a list of the important dates and deadlines, following the application process.

Take some time and pray about whether God might want to use this trip to really stretch your relationship with Him this summer. The sooner you get registered the better, as spots on the trip are limited. If you have any questions feel free to send Treacy an email (twalsh@lakesawyerchurch.org)

LAKE SAWYER STUDENTS MISSION TRIP COVENANT

As a student or parent of a student I have discussed, considered and agree to submit to the following conditions required to participate in the Lake Sawyer Students Mission Trip. This form must be signed by both the student and a parent and returned with your mission trip application.

STUDENTS

I will to the best of my ability attend all training meetings and complete assignments and tasks as assigned. I will have a willing attitude, keeping in mind that this is a team effort and every part of the team is important. I further understand that the preparation required for the mission trip will require dedication and hard work. I will do my best to represent myself, my family and God in a way that is honoring and pleasing to the God we serve. I will at all times submit to the student ministries leadership as God has placed them in authority to teach, protect and guide me through this process.

Lastly, I understand that it is my responsibility to raise funds through writing prayer/support letters, individual funding, and outside work not organized by student ministries leadership. I further realize that all funds collected will not be returned if I do not end up going on the trip for any reason. I understand that the people who are asked to support this trip need to be informed, by me, that they are ultimately supporting the overall team and that their money cannot be returned regardless of whether or not I attend the trip or not.
